- The Ville & Eurométropole de Strasbourg, the rectorat (local education authority), the CROUS and the city's higher education institutions have set up a welcome service, "Strasbourg aime ses étudiants" ("Strasbourg loves its students"), with a dedicated website, information on social media, and information points and stands.

<https://www.strasbourgaimesesetudiants.eu/>

- In September, come to the Studium on the Campus de l'Esplanade at Université de Strasbourg, a one-stop-shop where you can carry out all administrative procedures connected to your arrival in France.

- Students are also available to guide and support you, and help you discover your new environment, at the Kiosque d'accueil (Welcome Desk), in early September, on the Law Faculty esplanade.

- You can also discover your new environment thanks to the various university services and partners present during the "Villages de la rentrée" ("Back to School Villages") located on the Campus de l'Esplanade.

The main thing is to start preparing for this as early as possible, before leaving your home country.

RESIDENCE PERMITS

WHAT YOU NEED TO KNOW

• If you have just arrived in France on a long-term VLS-TS student visa: you must validate it online as soon as you arrive in France, on the ANEF (Administration Numérique pour les Etrangers en France – Digital Administration for Foreign Nationals in France) website. This procedure must be carried out within the 3 months following your arrival in the country: <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>

• If you have Algerian citizenship, you must request a residence permit on the ANEF website by clicking on the "I would like to apply or renew my residence permit" tab.

• If you are a student holding a "concours" visa, as soon as you receive your certificate of success, you must put in your request for a student residence permit at the Préfecture.

• If you hold a visa bearing the note “carte à solliciter dans les 2 mois” (“card must be requested within 2 months”) or if you hold a Talent visa: your request for a residence permit must be carried out via the ANEF website.

• If you hold a “mineur scolarisé” (“minor in education”) visa and have reached majority during the course of its period of validity, you must request a residence permit from the Préfecture of your place of residence within 2 months of your 18th birthday (the age of majority in France).

Please note: if you wish to renew your residence permit, the request must be made between the 4th and 2nd month preceding the date of end of validity of your VLS-TS / residence permit. This procedure must be carried out via the ANEF website:
